In the unlikely event that, due to unforeseen circumstances* or insufficient enrolment, the course has to be cancelled by MSI, our liability is limited to **refund of course fees only**. We recommend that delegates have adequate insurance cover to claims for any travel or personal expenses.

Liability

In the event of an event failure owing to force majeure or other unforeseeable events¹⁾, the organisers (MSI GmbH) accept no liability for travel or accommodation costs incurred, nor for any expenses due to loss of work, loss of profit or claims by third parties.

¹⁾ *Force majeure or unforeseeable events*: events beyond the reasonable control of the organisers, including but not limited to acts of God, war, strikes, disease at the venue (e.g. SARS, Legionnaires, COVID-19), governmental regulations or advisory notices, terrorism, disaster, fire, earthquake, airline flight cancellation, or any other cause reasonably beyond the control of organisers and participants.

Photos and videos, which are taken on behalf of the organisers during the MSIT Annual Meeting or MSIT Winter School, are used by the organisers (MSI GmbH; MPIE GmbH) exclusively for documentation, reporting and promotion purposes. The organisers are committed to processing information in accordance with the General Data Protection Regulation (GDPR). All photographs will be used without personal identifying information. The delegates can withdraw consent for this at any time by sending an email to MSITWinterSchool@msiport.com. Note: this will not apply to material already published.

Delegates are entitled to take photographs at the MSIT events for their own personal or educational purposes. The organisers will not be liable if delegates object to being photographed in these circumstances.

If no EU VAT-Id is supplied a Value Added Tax has to be charged that equals the German Mehrwertsteuer, presently 19%.

*** Registration after 15.04.2021 will be still possible. But in the case of insufficient enrolment till 15.04.2021 the events will be cancelled.
