I would like to make an oral presentation (to be confirmed).

There is very little time available for presentations. If you need to present, please limit to 10 minutes.

CANCELLATION POLICY: By registering, you agree to the cancellation policy.

Registration Cancellation Policy

A refund of course fees (less 15% administrative charges) will be made for cancellations received in writing at least two weeks prior to the event. Substitutes can be made but please email new delegate details when known. Cancellations made less than two weeks prior to the seminar are non-refundable/non-changeable.

In the unlikely event that, due to unforeseen circumstances¹⁾ or insufficient enrolment, the course has to be cancelled by MSI, our liability is limited to **refund of course fees only**. We recommend that delegates have adequate insurance cover to claims for any travel or personal expenses.

Accommodation Cancellation Policy

Accommodation and meals fees should be paid at the castle, directly to the castle administration. Room reservations will be made by the meeting organisers on behalf of the participants.

In the case of cancellation made less than 60 days prior to the meeting, the administration of the Ebernburg castle requests a refund of the contractually agreed prices for all individual services ordered as follows:

60 - 8 days before arrival: 60 % of the total price.

7 - 1 days before arrival: 80 % of the total price.

on the arrival day: 100% of the total price.

Payment of these costs is the responsibility of the participants.

Liability

In the event of an event failure owing to force majeure or other unforeseeable events¹⁾, the organisers accept no liability for travel or accommodation costs incurred, nor for any expenses due to loss of work, loss of profit or claims by third parties.

¹⁾ *Force majeure or unforeseeable events:* events beyond the reasonable control of the organisers, including but not limited to acts of God, war, strikes, disease at the venue (e.g. SARS, Legionnaires, COVID-19), governmental regulations or advisory notices, terrorism, disaster, fire, earthquake, airline flight cancellation, or any other cause reasonably beyond the control of organisers and participants.

PHOTO CONSENT:

By registering, the delegates allow the organisers to publish photos taken during the MSIT Winter School and the MSIT Annual Meeting 2-7 May 2021 on the websites of the organisers and sponsors, on social media and in newsletters. Photos and videos, which are taken on behalf of the organisers during the MSIT Annual Meeting or MSIT Winter School, are used by the organisers (MSI GmbH; MPIE GmbH) exclusively for documentation, reporting and promotion purposes. The organisers are committed to processing information in accordance with the General Data Protection Regulation (GDPR). All photographs will be used without personal identifying information. The delegates can withdraw consent for this at any time by sending an email to MSITWinterSchool@msiport.com. Note: this will not apply to material already published.

Delegates are entitled to take photographs at the MSIT events for their own personal or educational purposes. The organisers will not be liable if delegates object to being photographed in these circumstances.

* Participants of the Winter School can join the evaluation group work of the 35th MSIT Meeting on 6.05.21 (afternoon) and 7.05.21 (morning). This will be an opportunity to interact with the Groups more closely, to learn how the MSIT works, to learn how to evaluate phase equilibria and thermodynamic data leading to one citable publication - together with the other members of your work-group.

** Course fee includes 3½ days of lectures (9am to 6:30pm/12:00am), comprehensive syllabus, course certificate, and 'Welcome Reception' (Sunday). Course fees do *not* include accommodation and meals. Registration fees for the conferences in Germany for both taxable and non-taxable persons, regardless of their nationality, are subject to German VAT at 19%. For EU customers outside Germany, the Value Added Tax (VAT) will be zero rated, provided that the participant submits its valid European Union VAT Identification number. If no EU VAT-Id is supplied a Value Added Tax has to be charged that equals the German Mehrwertsteuer, presently 19%.

*** Invoices for Course Fees will be issued only *after* 28.02.2021. Owing to the global pandemic, the final decision on whether the events will take place will be taken on 28.02.2021.

**** Registration after 28.02.2021 will be still possible. But in the case of insufficient enrolment before 28.02.2021 the events will be cancelled.
